**SPECIAL ANNOUNCEMENT: VISIT TO SURREY BY JESSICA KRUSE, R.M.T. and
Ayurveda Abhyanga Massage Therapist Specialist
MARCH 6-7, 2017**

Jessica is a wonderful Ayurveda Abhyanga Specialist whom I taught in detail during 2009-2010 in a unique apprenticeship wherein she learned Turiya (marma) Therapy and in-depth related bodywork science. She is a truly gifted and dedicated healer in Ayurveda, and has worked these last 7 years mostly in Alberta and Costa Rica with her very successful private practice. Only 6 individual appointments are available for you for receiving personalized Abhyanga massage therapy from dear Jessica, and if you have been missing my style of massage with luxurious Ayurveda therapeutic oils, individualized protocols and intuitive skill, you'll come to know she is one of very few who has mastered my massage techniques and methods, developed through more than 30 years of clinical experience and practice.

Please call now to reserve your appointment time, OK? Her session is 1 ½ hours, 2 hours with your shower, etc. At \$155, this is so much more reasonable than booking with myself, though Jessica provides most excellent results and knowledge. These appointments are available at my home office in north Surrey, and are likely to go quickly, so please do book now by calling me at 604-290-8201 to ensure your personal time for self-healing.
