

WORLD MEDICINE SPEAKER SERIES

presents:

BREAST CANCER ACCORDING TO AYURVEDA,  
THE WORLD'S OLDEST HOLISTIC MEDICAL SCIENCE

WITH JAISRI M. LAMBERT,  
AYURVEDIC CONSULTANT AND PRACTITIONER

October is Breast Cancer Awareness month. Please join us to understand the ancient Ayurvedic concept of how abnormal cellular changes occur, particularly in the specialized breast tissue. Please invite your relative, health-care provider and friend to help revolutionize your understanding of healing according to classical Ayurveda.

We'll discuss how genetic factors, dietary factors and factors and spiritual factors all integrate together for health from the classical Ayurvedic perspective. Learn preventative and restorative theories and techniques for regenerating and supporting cellular healing. This talk will change your life and your understanding of the disease process.
