Panchakarma (PK) Healing Programs for Your Optimum Physical & Spiritual Health

Dec 1, 2017 - Jan 18, 2018

Program Highlights

- Individualized Ayurveda treatments and medicines
- Consultations with Vaidyagrama Physicians
- Travel with Ayurvedic consultant Jaisri M. Lambert
- Discussions about Ayurveda and Panchakarma
- Morning & evening talks, chants and meditations
- Special pujas and ceremonies
- The support of a group of like-minded participants

This program is for those who feel ready to take the time to go more deeply within for Ayurveda learning, purification, rejuvenation, and strengthening. Individualized programs are intended to bring physical, emotional, and spiritual benefits. You can choose a 41-day or 29-day program option that will bring physical, emotional, and spiritual benefits.

All programs will take place at the Vaidyagrama Ayurveda Healing Village, Coimbatore, India. The village at Coimbatore, led by Dr. Ramkumar, includes a community of Ayurveda hospitals and physicians in a natural setting that is designed for optimum healing. You will enjoy personal consultations with onsite physicians and discussion with host Jaisri M. Lambert to ensure the best possible healing program for you.

Each participant will be assigned a unique program according to our local physician's assessment and takes individual responsibility for personal outcomes. Though your journey is unique, the group presence is intended to be a silent witness and support.
